

UCLA

STUDY
ABROAD

UCEAP Physics Abroad

Mauricio Cobian, International Programs Advisor
UCLA International Education Office

WHAT IS SUMMER PHYSICS ABROAD?

Study abroad this summer in Australia, Cyprus, England, Hong Kong, Ireland, **Scotland**, or Spain to complete the equivalent of the Physics 5ABC or 6ABC series!

Bruins can complete the 1ABC series in Scotland.

By The Numbers

- ▶ 8 week program from mid-June to mid-August
- ▶ 2 classes *equivalent* to 1 year of physics
- ▶ 12 UC quarter units
- ▶ 7 distinct destination options
- ▶ 2.5 minimum GPA requirement
- ▶ \$8,100 – 14,500* for everything: tuition, housing, meals, airfare, etc.
- ▶ 350+ UCLA students

$$Q = CV$$
$$E = \Delta V Q$$
$$= \Delta V \times CV$$

$$\Delta V = \frac{1}{2} V$$

$$\therefore E = \frac{1}{2} CV^2$$

*Summer 2018 estimates; vary by program.

University of Sussex

- ▶ **Campus:** Surrounded by the South Downs National Park and up against fields and woods. While some may describe Sussex as “middle-of-nowhere,” it is not the case. The campus has a bit of a UC Santa Cruz feel with its green campus, 70's architecture, and nature hikes.
- ▶ **Brighton:** Known as “London-by-the-Sea,” Brighton is the main city in the area. This progressive seaside town, known for its lively music scene, amazing cafés, antique shops, and good food, is only a 20 minute bus ride from campus. Brighton also has a Santa Cruz feel with it's boardwalk and pier reaching into the cold pebble-stone beach.
- ▶ **London:** Hour and twenty minute train ride from Sussex.

University of Sussex

- ▶ **Housing:** Primarily single dorm rooms with private bathrooms, and shared co-ed kitchen. Bedding and towels are provided.
- ▶ **Meals:** Program fees include a meal plan for breakfast, lunch, and dinner M-Th. Students are responsible for their weekend meals. Furnished communal kitchens available in the dorms.

"If you are having thoughts about the program, do think it over because it is a pretty penny to do the program. That being said, I would come back in a flash! I loved this program!!! The atmosphere, the people, and the location just felt right! Even though this program cost a lot, I do not regret anything. It was a once in the lifetime opportunity and if I could I would restart the program." – Jessica @ Sussex

University College Dublin

- ▶ **Campus:** UCD is a modern university campus on the southern edge of Dublin; a 25 minute bus ride into the bustling city center. UCD feels a lot like the modern sections of UCLA (south campus, Sunset Village, YRL).
- ▶ **Dublin:** Sprawling port city of 1.2 million people composed of many suburbs.

University College Dublin

- ▶ **Housing:** Single rooms in 4 bedroom suites with shared bathrooms.
- ▶ **Meals:** Program fees include a meal plan for breakfast, lunch, and dinner M-F. Students are responsible for their weekend meals.

“The professors here are a lot more intimate with you than the professors back at UCLA. You can tell they care about you a lot and they care about each individual person in the class. They have office hours directly after class. They really love fielding questions from you and they love to see you learn the answers.” – UCLA Student @ Dublin

University of Glasgow

- ▶ **Campus:** Located in Glasgow's bohemian West End neighborhood. A 550 year-old university serves as the inspiration for Hogwarts!
- ▶ **Glasgow:** Largest city in Scotland with a population of 1.7 million people; bisected by the River Clyde.

University of Glasgow

- ▶ **Housing:** 5-person shared student residence with single rooms. 15-minute walking distance to classes.
- ▶ **Meals:** Program is self-catered. Students prepare own meals in communal kitchens.

"I know you want to know if it's easier or harder than taking physics at UC. But let's just say that it is a very different system of learning from that of your usual Physics A, B, and C courses at UCLA...and I highly preferred this system of learning physics." – UCLA Student @ Glasgow

University of Nicosia

- ▶ **Campus:** Private university with modern facilities located in New Nicosia. Short bus ride away from the life of the city center and 1-2 hours to crystal clear beaches.
- ▶ **Nicosia:** Cyprus, an island in the Mediterranean with a population of over a million and with the last divided capital in the world! Greek and Turkish cultures to explore. Toasty in the summer!

University of Nicosia

- ▶ **Housing:** Students will be housed in brand new university dorms walking distance to labs and lectures. Doubles is the standard offering.
- ▶ **Meals:** Voucher program to use at eateries around the campus. Expanding restaurant options to cafeteria for summer 2019.

Hong Kong University of Science and Technology

- ▶ **Campus:** The HKUST campus sits on the eastern coast of Clear Water Bay and an hour on public transit to Hong Kong Central.
- ▶ **Hong Kong:** Population of 7.4 million people who speak Cantonese, English, and Mandarin. Mid 80°'s and a bit rainy during the summer!

Hong Kong University of Science and Technology

- ▶ **Housing:** Students are housed in the HKUST residential halls right on campus! Double or triple rooms are standard with shared bath.
- ▶ **Meals:** The program is self-catered. Students prepare their own meals.

University of Sydney

- ▶ **Campus:** Public research institution and Australia's first university founded in 1850.
- ▶ **Sydney:** Only one of our programs in the summer hemisphere – it will be winter there! Low 60s to high 40s.

University of Sydney

- ▶ **Housing:** Students are scheduled to stay at the Oaks Goldsbrough apartments in the Darling Harbour District of Sydney. A 30 minute public transit commute to campus.
- ▶ **Meals:** The program is self-catered. Students prepare their own meals.

Carlos III University

- ▶ **Campus:** Located in the Madrid suburbs; a 35-minute subway ride from campus to the city center. Classes and labs spread across two campuses.
- ▶ **Madrid:** Capital and geographical center of Spain with amazing public transit to get you across the sprawling metropolis. Actual program takes place in Getafe.

Carlos III University

- ▶ **Housing:** Students reside in the Gregorio Peces-Barba single room residential halls. 30 minute subway ride to city center.
- ▶ **Meals:** Breakfast, lunch, and dinner are provided in the dorm cafeterias Monday-Friday as part of the program fees.

Which one is the easiest?

None of them.

Physics Abroad is **not** the easy way out.

- UCEAP courses **do** factor into your UCLA GPA.
- Not everyone gets an A, B, or C – **there are failing grades.**
- If you fail courses, you cannot “retake” them at UCLA to fix your GPA.

- Sussex did not *become more difficult*, Dublin is not *the easy one*, but Glasgow is different.

Academic Differences

UCEAP Summer Physics For Life Sciences 2019-20

Program	University of Sussex	University College Dublin	University of Glasgow	University of Nicosia
MyEAP Course titles/numbers	12 S PHYSICS 1 13 S PHYSICS 2	16 S PHYS FOR LIFE SCI 1 17 S PHYS FOR LIFE SCI 2	14 S PHYSICS 15 S PHYSICS 2	22 PHYSICS I 23 PHYSICS II
Calculus-based?	yes	yes	yes	yes
Prerequisites	UCEAP requires that applicants have taken two sequential courses of Single-Variable Calculus with a minimum passing grade according to their UC campus of enrollment. The titles for equivalent courses at UC campuses are: • UC Berkeley: Math 1AB, Math 10AB, or Math 16AB • UC Davis: Math 16B, 17B, or 21B • UC Irvine: Math 2AB or Math5AB • UC Los Angeles: Math 3AB, Math 31AB, or Life Sciences 30AB • UC Santa Barbara: Math 2AB or Math 3AB or Math 34AB • UC San Diego: Math 10AB • All other UC campuses: Titles for equivalent courses vary.

Notes			

What is flipped classroom design?

- “Students are expected to complete pre-session reading and tests while the learning sessions focus on tutor led group discussions. This will allow specific issues and problems of the students to be addressed. The key to the success of such a learning design is active participation by each member of the class. By signing up to this class, you are entering into a learning partnership with the tutor and the rest of your peer group and your contributions are vital to the whole group.”

Learn more via the blogs and video
at the end of this presentation!

WHAT ABOUT MED SCHOOL?

We can assure you that you can use this curriculum to satisfy your UCLA physics requirement, but no assurances are made on whether medical schools will accept this credit. Nonetheless, historically UCLA students have not had any issues with this curriculum for medical school acceptance, but ultimately it is a student's responsibility to check in with those schools.

Further, all coursework is converted into UC credit. When medical schools ask for a transcript of your time abroad, you will only be providing them your UCLA transcript – not a transcript from the host university abroad.

Eligibility

- Must establish and maintain a 2.5 UC GPA or higher.
- Must complete your respective math courses with a minimum passing grade of C- as if you were to take physics here on campus by start of summer program.
 - **Physics for Life Science**
 - Math 3AB, Math 31AB, or LS 30AB
 - **Physics for Physical Science**
 - Math 31A, 31B, and 32A (+ 32B is recommended).
 - If you have repeated coursework, we recommend you reconsider these programs. At minimum test your math skills via the Math Diagnostic Tests on the UCEAP site.
- **Online first-come, first-served.**

Freshman Applicants

- Most will not have established a UC GPA.
 - Yet, you need one to confirm eligibility.
- Submit an unofficial transcript from MyUCLA. It will only have your Fall enrollments, but it will serve as a **placeholder**.
- You must bring an updated unofficial transcript to our office by Monday, January 7th. **Mark this in your calendar now.** Failure to do so will result in forfeiting your offer.

CAN I PARTICIPATE SUMMER OF MY SENIOR YEAR?

You must be a currently enrolled UCLA student to participate on UCEAP. If you plan on doing this your last term at UCLA, you must contact your academic advising unit about the possibility of pushing your expected graduation date to summer. Eligible students may be able to carry their financial aid, and must fill out FAFSA once more! Contact the UCLA FAO for more information.

Grades can take up to 90 days from the program end date. Important for those needing to prove degree completion by sometime in the fall. Degree is not conferred until coursework is applied.

Application Process

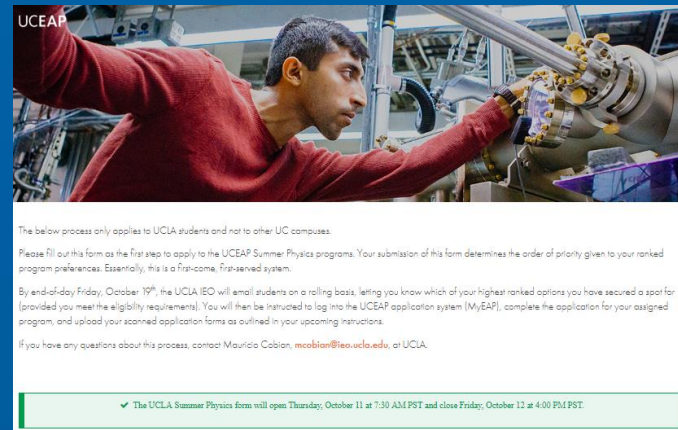

1. Online First-come, First-served

- Visit ieo.ucla.edu/uceap/summerphysics to access the link to submit your ranked preferences.
- **Live** on Thurs, Oct 11th @ 7:30am and **close** on Fri, Oct 12th @ 4:00pm.

- What's on the form?

- Personal Info
- Which Series
- **Preferences**

- Rank all seven or
- Rank a few then insert the “*I do not want to be considered for programs beyond those already listed above*” option.
 - e.g. If you are ONLY interested in #1 Sussex and then #2 HK , for #3 list “I do not want...”

HOW MANY UCLA SPOTS ARE THERE PER PROGRAM?

Country	Program	Track	UCLA
Australia	University of Sydney	Physics for LS	70
Cyprus	University of Nicosia	Physics for LS	45
Hong Kong	Hong Kong University of Science and Tech	Physics for LS	30
Ireland	University College Dublin	Physics for LS	143
Spain	Carlos III University of Madrid	Physics for LS	6
UK - England	University of Sussex	Physics for LS	150
UK-Scotland	University Glasgow	Physics for LS	48
UK-Scotland	University Glasgow	Physics for PS	30

WILL THE SYSTEM CRASH?

It can. If the system crashes, we will know immediately as we will be on hand and will begin working tirelessly to address the matter. Keep trying to access the form until it comes back up.

We thank you for your patience in advance.

2. Wait for an Offer

- By Friday, October 19th, students will receive an email offer with instructions to apply to their assigned program in MyEAP. Offer will be based on program availability at the time of your submission.
- If you do not receive your first choice, it will be assumed that you are open to the rest of the programs you marked (unless you placed the “not interested” marker) and that you will apply.
- Provided you meet the eligibility criteria and submit all subsequent requirements in a timely manner you *should* be going abroad on the program you received an offer for.

3. Apply in MyEAP

- Go into the MyEAP portal and apply to the program you were offered.
- Complete and submit the online portion.
- Print the respective forms and complete.
- Scan into a PDF and upload to the instructed portal.
- **Students have 48hrs to submit this PDF or automatically forfeit their spot.**
 - Keep a close eye on your email!
- No physical application into our office.

Application Checklist

See instructions below this checklist for details on how to complete each required document. Checklists differ by program. Submit only the items found in this checklist.

APPLICATION REQUIREMENTS AND INSTRUCTIONS FOR CYPRUS - Science Summer School, University of Nicosia - Summer Physics

Document last updated on: 9/20/2018 11:54:47 AM

***On January 25, 2019, Selected students will receive an email from UCEAP including a link to the program Pre-Departure Checklist. The first item on the Pre-Departure Checklist is to complete the Nicosia online application. Please do this right away!

Passport Note: You must have a passport by the start of the program that is valid for at least 6 months after your projected return from abroad. If you do not currently have a valid passport, apply immediately.

UCLA Students Only: Print, complete, and scan items 1-3 as one PDF file and upload to this [link](#); UCLA Summer Physics students do not need to submit paper copies in-person.

Submit **only an original set (1 total)** of the following documents in the order listed (no copies required). Paper clip together - do not use staples.

1. Online Application Form. Complete all the tabs in this application, including the 'Submit' tab. Click on the 'Print' tab to print this application and sign it.
2. UC transcript: Obtain your most recent unofficial UC transcript from the Registrar's Office.
3. **Clearance form:** Read and complete your UCLA College or School's Guidelines or Clearance form.
 - [College of Letters and Science](#)
 - [School of Arts and Architecture](#)
 - [School of Engineering](#) (Review guidelines; no form required)
 - [School of Theater, Film and Television](#) (Review info; no form required)

Sample screenshot, each program has a slightly different checklist.

4. Receive Your Nomination

- By mid-January all applicants will know if they have cleared the eligibility criteria review from our office and will receive a nomination email.

And Your Done!

•• UCLA ••

WHEN WILL I KNOW *FOR SURE* I HAVE A SPOT?

When you get your offer provided you meet the eligibility criteria, but a full guarantee will not come until mid-Winter quarter.

Backup Plans

- There are no waitlists planned at this time.
- Organic Chemistry @ University College Dublin Summer 2019
 - Chemistry 30A, 30AL, 30B, 30BL
- Differential Equations & Linear Algebra @ University of Glasgow
 - Math 33A & 33B*
 - Scottish History approved for Historical Analysis GE by College and ENG.
- Apply next year for Summer 2020

*Pre-Approved for MECH&AE 82 as well.

Finances

Science Summer School, University of Nicosia

Overview

Courses & Credit

Cost

Eligibility

Estimated EAP Costs *

Option	Weeks	Units (Qtr)	Units (Sem)	UCEAP Fees ¹	Additional Costs ² (Estimated)
Summer Physics	8	12	8	\$8,800	\$2,900

* Estimates do not include Miscellaneous Campus Fees or, if applicable, Non-Resident Supplemental Tuition, Graduate or Professional Fees. If you are subject to out-of-state tuition at your UC campus, you will pay Non-Resident Fees on UCEAP.

\$11,700

¹ **UCEAP Fees:** This represents an estimate of UCEAP fees for the current year. Actual amounts will vary due to potential changes to UC fees, exchange rate fluctuation, etc. This figure includes UC tuition and fees for undergraduate, in-state residents. For a detailed breakdown of what's included in this estimate, visit the Participants Portal and select the appropriate program. Non-Resident Fees apply: If you are subject to out-of-state tuition at your UC campus, you will pay non-resident fees on UCEAP.

UCEAP Budget

UCEAP UNIVERSITY OF CALIFORNIA
EDUCATION ABROAD PROGRAM

CYPRUS 2018-19

749-375

University of Nicosia

2018-19 Summer Quarter

You can use this worksheet to estimate the total cost of attending this program. UC fees are subject to change, and final program expenses will vary depending on the Study Center, UC campus, and California residency status.

Notice regarding Fall, Winter and Spring UC tuition

Actual tuition, fees, and charges are subject to change by the Regents of the University of California and could be affected by increases or reductions in State funding, or other developments.

1. Program Budget

A. UCEAP Program Fees

Participation Fee	\$	1,000.00
Summer Tuition and Student Services Fee	\$	3,372.00
Program Specific Fee	\$	300.00
UCEAP Mandatory Travel Insurance	\$	70.00
Student Activities & Services - Summer	\$	1,850.00
Meals - Summer	\$	720.00
Room - Summer	\$	1,600.00

Subtotal UCEAP Program Fees **A.** \$ 8,612.00

What's Included in UCEAP Program Fees?

- ✓ UC tuition and instructional costs
- ✓ Pre-departure information and advising
- ✓ Program services and administration
- ✓ 24/7 emergency assistance
- ✓ Cultural activities and program excursions
- ✓ On-site orientation and advising
- ✓ Auto transfer of credits and grades to UC transcript
- ✓ Intensive language program (when applicable)
- ✓ Mandatory host country insurance (when applicable)
- ✓ Academic internships or independent study (when applicable)

B. UC Campus Required Fees

[Miscellaneous Campus Fees](#) Click here and find the appropriate amount for your UC campus.

Manually enter amount: \$ _____

[Non-Resident Supplemental Tuition](#) If applicable, click here and find appropriate amount.

Manually enter amount: \$ _____

[Graduate and Professional Fees](#) If applicable, click here and find appropriate amount.

Manually enter amount: \$ _____

Subtotal of UC Campus Required Fees **B.** \$ _____

Only items A & B will be reflected on your MyEAP account. Items C & D (below) are not posted to your MyEAP account, but need to be added to A & B to obtain your total estimated program budget.

C. Estimated Personal Expenses (NOT paid to UCEAP)

Use this worksheet to estimate your minimum out-of-pocket expenses. These do not include recreational travel or entertainment abroad.

These costs are based on the following exchange rate, which may fluctuate: **US\$1 = 0.76 EUR**

Meals - Summer	\$	288.00
Incidentals/Transportation/Books - Summer	\$	565.00
Pre-Departure Expenses	\$	310.00
Round-Trip Airfare	\$	1,400.00

Subtotal Estimated Personal Expenses **C.** \$ 2,563.00

D. UC Campus Student Health Insurance

Click here and find the appropriate amount for your UC campus.

Manually enter amount: \$ _____

Subtotal UC Campus Student Health Insurance Expenses **D.** \$ _____

2. Withdrawal fees outlined in the UCEAP Guide to Study Abroad

UCEAP Withdrawal Fee: \$500.00 if withdrawal is after the first Payment Due Date: **April 1, 2018**

Third Party Withdrawal Fees

If student withdraws from March 15, 2018 onwards - \$250 UNIC Damage deposit (paid to UNIC)

If student withdraws between June 16, 2018 and June 22, 2018 - \$4,120.00 + UNIC Damage Deposit

If student withdraws after June 23, 2018, \$5,670.00 + UNIC Damage Deposit

3. Program Specific Fees

This budget is created using the double occupancy housing option and mandatory meal plan which includes three meals per day for five days each week.

[Payment Schedule located on next page](#)

2018 Cost Comparison Chart*

Expenses	Dublin	HK	Glasgow	Madrid	Nicosia	Sussex	Sydney

RT Airfare	\$1,200	\$1,000	\$1,400	TBD	\$1,400	\$1,200	TBD
Total	\$13,468	\$8,079	\$12,162	\$15,150	\$11,175	\$12,701	\$15,700

* Last year's budget. All figures subject to change.

** Very rough estimate as it will first run in 2019.

Early Expenses

- Some programs have fees that all students must pay up front. These expenses are factored into the budget.
- **Non-Refundable Application Fee***
 - Sussex – 200£ (≈ \$261)
 - Nicosia – \$50
- **Housing Payment***
 - Hong Kong – Students must pay their housing up front around mid-April. (≈\$990)
 - May apply to other programs too; TBD.
- **Airfare**
 - \$1,000-1,400 budgeted, but can be less.
- **Late Withdrawals**
 - At minimum \$500 fee after April 1st.

*Subject to change without notice.

Payments to UCEAP

- **Non-Financial Aid Students**
 - First Payment of \$950 is generally due April 1st
 - Final Payment of remaining balance is due June 1st.
- **Financial Aid Students**
 - You can ignore the payment deadlines in MyEAP.
 - The only payment you have to make in MyEAP is if you accept less aid than the balance in MyEAP.

Financial Aid

Eligible students can carry over their financial aid.

- **Financial Aid** = Grants, Scholarships, Loans
- **Need-based Grant Aid** – Last year, the **best** financial aid packages, offered around **\$5,600** in grant aid to eligible students with the most financial need. Aid will vary from student to student. This the best case scenario.
- **Loans** – As summer is a considered a non-essential term, financial aid packages tend to be loan-heavy. They are an inevitable part of a summer program abroad.
- **CalVet Waiver** – Applicable!
- **Complete FAFSA 2019-20** – No other action required.

Sample Financial Aid Packages

Disclaimer: This is sample data to get a *very general* idea of aid students received for Sussex in 2018. Students with exact same EFC may have different grant awards based on a dozen variables. If you have further questions about packaging, **contact the UCLA Financial Aid Office.**

2018 Sample Financial Aid Packages

\$0 EFC, ≈ \$5,632 Grants

2018 Summer - Initial Aid Offer

Personal Info
