

Fundación Catalina Muñoz

Company Description	
<p>Intern Colombia has partnered with an NGO that constructs housing for families in extreme poverty. Their main goal is to contribute to the reduction of the housing deficit in Colombia, and to improve housing. In the past 11 years, they have constructed more than 2,800 homes. They also work with individuals, families, and groups within the communities and manage social programs to improve Public Spaces. Our partner has recently launched a new Eco-spaces Project, this will emphasize agricultural production within Urban environments. These construction projects are undertaken with a strong social dimension.</p>
