About the Host Company

The Christina Noble Children's Foundation (CNCF) is dedicated to serving vulnerable children in need and those at risk of criminal, sexual, and commercial exploitation and trafficking, by providing emergency and long-term shelter, medical care, nutritional rehabilitation, educational opportunities, vocational training, and job placement. CNCF seeks to maximize the potential of each child. This is accomplished within the context of the family and the community whenever possible and always with love and respect for the dignity of each child as an individual.
