

TRAVEL STUDY: Bringing Shanghai to you!

JUNE 20 - JULY 17, 2021

Explore the Chinese healthcare delivery system through a process of building your personalized self-care plan. Designed for future healthcare professionals, this program provides a worldview of integrative medicine practice in different international healthcare systems.

Directed by Dr. Zhang, UCLA Geffen School of Medicine

Required Courses:

- **MED 180A/GLB HLT 110A (4 units)**
Chinese medicine: its Origins, Roles in Culture and Impact of modernization
- **MED 180B/GLB HLT 110B (4 units)**
Integrative Medicine Practice in the Chinese Healthcare Delivery System

Virtual Study Abroad:

In addition to the same academic content as planned, your program may include the following virtual experiences:

- Virtual hospital & clinic tours
- Demos of self-care modalities (Tai Chi, nutrition, herbal tea, etc)
- Utilization of Chinese medicine for COVID-19
- Networking with experts worldwide

Program Fees*:

UC - \$2,900

Visiting - \$3,400

**Fees include: Tuition and fees, course instructions, virtual engagements.*
